Hey! It is never too early to begin thinking about our 2011 HCC Men's League. Lots of new things for us this year. Certainly, the challenges that we have faced as a Club will continue to be front and center. However, we look to the Men's League as being a stabilizing force for the Club as we carry on traditions of old and start new ones to enjoy for years to come. So, be sure to include joining the Men's League as a primary Club activity.

Remember, we will be a 2 MAN TEAM LEAGUE this year. We found this to be an enjoyable format in 2010. It took the pressure off make up matches since we were able to get subs and could play the match even if only one team member could be there. Start work now to find yourself a partner (can be a non-member) or let us know that you are interested in playing but would like us to partner you up.
